NOTICE OF PUBLIC HEARING
CITY OF MONTEBELLO PLANNING COMMISSION

Planned Sign Program 1-11
1405 - 1493 North Montebello Boulevard

Project Description: The applicant, Ultrasigns, is requesting a Planned Sign Program to establish comprehensive sign standards for signage within an existing commercial shopping center (Montebello Town Square). The proposal consists of standards for all wall, pylon, monument, pole and freeway signs on the subject site. A Planned Sign Program is a tool to establish comprehensive, site-specific sign guidelines for all signage within a commercial shopping center in the C-2 (General Commercial – Planned Development) district.

Zone: C-2-PD (General Commercial – Planned Development)

General Plan Designation: Commercial Boulevard

Environmental: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Division 6, Chapter 3, Class 1 §15301 (Existing Facilities). This exemption applies to additions, expansions, or alterations to existing structures where there is negligible or no expansion of the use. In this case, the Planned Sign Program would provide comprehensive sign standards for all tenant spaces within a commercial shopping center.

NOTICE IS HEREBY GIVEN that the City of Montebello Planning Commission will hold a public hearing on the proposed application. The meeting is scheduled on:

Date: Tuesday, February 21, 2012
Time: 6:30 p.m.
Place: City Hall Council Chambers
1600 W. Beverly Blvd.
Montebello, CA 90640

Any party interested in speaking may appear at the public hearing and comment on the project. Written comments may also be mailed or delivered to the Planning Commission at the Planning Division office address identified below. If you challenge the matter in court, you may be limited to raising those issues you or someone else raised at the public hearing, or in written correspondence delivered to the City of Montebello at, or prior to, the public hearing.

For more information about the project and the related environmental documentation, or to schedule an appointment, please contact:
