

Bid & Contract Opportunities

Engineering Division

Overview

Welcome to the City of Montebello Bid and Contract Opportunities Page. If you are a consultant, service provider, or contractor, this is a convenient place for you to find out about current bidding and contracting opportunities, or bid summaries of recent projects. This page only details Engineering Division's projects and no other City projects or purchases.

How to Use this Page

Engineering Division's project Notices to Bidders are published in the Current Bid Listings section. These opportunities are advertised on this Home Page as a service, and the listings are not comprehensive. Information on how to purchase complete bid packets can be found in each Notice to Bidders. Bid information is also released to the following Bid Service Publications. (The City is not responsible for the accuracy of this information.)

This information is not the official advertising for the City of Montebello and the City does not warrant that it is thorough or reliable. The City advertises each project in a newspaper. The following is a list of the primary newspapers used for advertising projects. The City of Montebello reserves the right to advertise in any legal publication.

How to Purchase a Bid Packet

A set of contract documents including the plans and specifications may be purchased from the Engineering Division at Montebello City Hall. The cost of each bid packet is listed in the Notice to Bidders, and is usually \$30 (\$35 if mailed). City Hall is located at 1600 West Beverly Blvd. Montebello, California 90640. There will be no refund for the return of the contract documents. Return of such documents is not required.
