1. **MEETING CALLED TO ORDER**
2. **PLEDGE OF ALLEGIANCE**
3. **ROLL CALL**
4. **APPROVAL OF MINUTES:** Minutes of the February 17, 2009 and March 3, 2009 meetings.
5. **HEARING FROM THE AUDIENCE ON ITEMS NOT LISTED IN THE AGENDA**

In order to expedite Planning Commission business, we ask all persons wishing to address the Commission on items other than the public hearings to fill out a form provided at the door, and turn it in to the Commission Secretary. Failure to file such a form will prohibit you from addressing the Commission in the absence of unanimous consent of the Commission.

Please limit your comments to a maximum of five (5) minutes. If you have an item that will require extended discussion, please request that the item be included on the regular agenda.
6. **STAFF BRIEFING**
 - A. Agenda additions and deletions: None
 - B. Items to be continued: None

¹ In compliance with the Americans with Disabilities Act, if you need assistance to participate in this meeting, please contact the Building Services Manager (323/887-1497). Notification 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting. (28 CFR 35.102-35.104 ADA Title II)

7. **PUBLIC HEARINGS**

For each of the following items, the public will be given an opportunity to speak, following Planning staff's presentation of its report and the Planning Commissioners' disclosures (if any) of site visits to the location at issue and any relevant information obtained during same. The applicant, proponents and opponents will be allowed to speak on issues relating to the case. At the Chairperson's discretion, reasonable time limitations may be placed upon individual testimony. After all persons have spoken, the applicant is allowed to rebut and/or summarize, and then the hearing is closed.

A. **Zone Variance 3-08** (Continued from 2/3/09 meeting)

Applicant: Verizon Wireless

Location: Property addressed as 515 W. Beverly Boulevard and 440 N. 6th Street

Proposal: A Zone Variance application to allow the removal of one required existing off-street parking space to accommodate a proposed emergency generator for an existing Wireless Telecommunication Facility on a property currently developed with an existing medical office building located in the C-1 (Neighborhood Commercial) zoning district.

Recommendation: Terminate the public hearing process for Zone Variance 3-08 due to project revisions that result in no longer requiring a Zone Variance.

B. **Zone Variance 2-08**

Applicant: Enriquez Gomez

Location: 512 Work Street

Proposal: A Zone Variance to allow the construction of an Accessory Dwelling Unit on an existing single-family lot that is substandard in width. Section 17.10.280(C)(3) of the Montebello Municipal Code allows an Accessory Dwelling Unit on a single-family property, but requires that the subject property meet the minimum lot size and dimension requirements of the Zoning Code. A Zone Variance is necessary for the proposal to deviate from this requirement.

Recommendation: Pending public testimony and Planning Commission input approve Zone Variance 2-08.

C. **Conditional Use Permit 4-08**

Applicant: Verizon Wireless

Location: 1343 North Montebello Boulevard

Proposal: A Conditional Use Permit application to allow the establishment of a Wireless Telecommunications Facility consisting of seven panel antennas, four GPS antennas, and one microwave antenna on an existing transmission tower located in the C-2-PD (General Commercial-Planned Development Overlay) zoning district. A Conditional Use Permit is required to establish a Wireless Telecommunications Facility in the C-2 zoning district.

Recommendation: Pending public testimony and Planning Commission input approve Conditional Use Permit 4-08.

D. Planned Development 2-07 and Tentative Parcel Map No. 070052

Applicant: Mater Montebello Limited Partnership

Location: 7709 Telegraph Road

Proposal: A request for approval of a Planned Development and a Tentative Parcel Map for the development of a 7-story, 142-room hotel and parking structure on property currently developed with an existing hotel and at grade parking. The Tentative Parcel Map request is to subdivide the existing lot into two lots to accommodate the two hotels. The Planned Development request is to allow shared parking between the two hotels and to exceed the permitted Floor Area Ratio requirements of the M-2 zoning district in which the properties are located. A Planned Development allows flexibility from Code standards for the development of large parcels.

Recommendation: Pending public testimony and Planning Commission input recommend that the City Council approve Planned Development 2-07 and Tentative Parcel Map No. 070052.

8. **SCHEDULED MATTER**

None

9. **PLANNING COMMISSION AND STAFF COMMENTS**

A. Planning Manager's Comments

- Update on City Council meeting
- Update on Community Redevelopment Agency meeting

B. Planning Commissioners' Comments

10. **ADJOURNMENT**

PLANNING COMMISSION PROCEDURE

For those in the audience who are not familiar with the operation of a Planning Commission, the following summarizes the procedure.

For each item this evening, the Planning staff will present a report to the Planning Commission. On items for public hearing, the audience will be asked for comment. Those wishing to speak are asked to come forward, speak into the microphone, and give their name and address for the taped record. Those speaking in favor are asked to speak first, then those in opposition. After those speaking in opposition are heard, the applicant or one person speaking in favor may be allowed a rebuttal.

The Planning Commission is interested to hear all persons wishing to give testimony. However, it is requested that each new speaker add new information, and not repeat points which previous speakers have made. Persons not desiring to speak, but wishing to be recorded as proponents or opponents of record, may do so by submitting their name and address to the secretary.

On matters concerning amendments to the Zoning Ordinance, the General Plan, Planned Developments (PDs), Tentative Subdivision Maps, Zone Changes, Hillside Plan Reviews, and Civic Center Reviews, the Planning Commission acts in an advisory capacity to the City Council. Items that are recommended for approval are automatically forwarded to the City Council. Items that are denied must be appealed if they are to go forward to the City Council, with the exception of Tentative Subdivision Maps.

On matters concerning Variances, Conditional Use Permits, Tentative Parcel Maps and Lot Line Adjustments, the Planning Commission is delegated the authority to take final action unless these items are appealed to the City Council. Regarding all types of appeals, applicants or other interested persons should take note of the following appeals procedures and, in case of questions, contact the Planning Department staff for further information on the right of appeal.

ITEMS NOT LISTED ON THE AGENDA

No action or discussion shall be taken on any item not appearing on the posted agenda, except that members of the legislative body may briefly respond to the statements made or questions posed. In addition, on their own initiative, or in response to questions posed by the public, members of the legislative body may ask a question for clarification, provide a reference to staff or other resources for factual information, or request staff to report back to the body at a subsequent meeting concerning any matter. Furthermore, a member of a legislative body, or the body itself, may take action to direct staff to place matter of business on a future agenda (Gov. Code Section 54954.2).

PLANNING COMMISSION AND STAFF COMMENTS (Agenda Item Nos. 9A & 9B)

Agenda Item No. 9A is reserved for the Planning Director's announcements, comments or brief reports on items not listed on the agenda, and an update to the Planning Commission on actions taken by the City Council at their recent meeting. No action will be taken.

Agenda Item No. 9B is reserved for Planning Commissioners' announcements, comments or brief reports regarding items not listed on the agenda including report on meetings attended pursuant to Gov. Code Section 53232.3 (d). No action will be taken.
