**The Honorable City Council
City of Montebello, California**

Report on the Financial Statements

We have audited the accompanying financial statements of the Housing Successor Fund of the City of Montebello, California, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Housing Fund's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Housing Successor Fund of the City of Montebello, California as of June 30, 2016, and the changes in its financial position for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 2, the financial statements present only the Housing Successor Fund and do not purport to, and do not, present fairly the financial position of the City of Montebello, California, as of June 30, 2016, and the changes in its financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

NOTE 1 GENERAL

The Housing Successor Fund of the City of Montebello, California (City) accounts for the housing assets and housing-related functions of the City's former redevelopment agency. The Housing Successor Fund is a Low and Moderate Income Housing Asset Fund and, as such, the City is required by Senate Bill No. 341, approved by the Governor on October 13, 2013, to provide an independent auditor's report on the financial statements of the Low and Moderate Income Housing Asset Fund within six months after the end of each fiscal year.

Pursuant to the provisions of ABX1 26 (as subsequently amended from time to time, the "Dissolution Law"), on January 25, 2012, the City Council of the City of Montebello passed and adopted Resolution No. 12-05 electing to serve as the Housing Successor to the Former Montebello Redevelopment Agency (Housing Successor), and thereby manage the housing assets and functions of the former RDA in accordance with the California Housing Authority Law and other applicable housing-related regulations. The Housing Successor is reported as a special revenue fund of the City.

The transfer of the housing assets was made to the Housing Successor Fund on February 1, 2012, and subsequently approved by the California Department of Finance in accordance with the requirements of the Dissolution Law.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fund Accounting

The accounts of the City of Montebello are organized on the basis of funds, each of which is considered a separate accounting entity with a self-balancing set of accounts. The Housing Successor Fund is accounted for as a Special Revenue Fund of the City. As such, the accompanying financial statements present only the Housing Successor Fund and do not purport to, and do not, present fairly the financial position and the changes in financial position of the City of Montebello, California as of and for the year ended June 30, 2016.

Basis of Accounting

Special Revenue Funds are accounted for using the modified accrual basis of accounting. Revenues are recognized when they become "susceptible to accrual", that is, measurable and available to finance expenditures of the current period. Expenditures are recorded when the liability is incurred.

Measurement Focus

Special Revenue Funds are accounted for on a spending or "financial flow" measurement focus. This means that generally only current assets, current liabilities and deferred inflows and outflows of resources are included on their balance sheets. Statements of revenues, expenditures and changes in fund balances for Special Revenue Funds generally present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Receivables

Receivables represent amounts owed to the Housing Successor Fund pursuant to agreements for the development and operation of housing properties and by the Successor Agency Trust Fund. These receivables are long-term in nature and as such these assets are considered to represent a nonspendable portion of the Housing Successor Fund's fund balance.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fund Balance Reporting

Governmental Accounting Standards Board (GASB) Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, establishes the fund balance classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds.

The following are the Housing Successor Fund's fund balance classification as of June 30, 2016.

- Nonspendable - Amounts that cannot be spent either because they are not in spendable form or because of legal or contractual constraints. The Housing Fund's nonspendable fund balances represent land held for resale and long-term receivables from the Successor Agency.
- Restricted - Amounts that are constrained for specific purposes, which are externally imposed by providers, such as creditors, or amounts constrained due to constitutional provisions or enabling legislation. The Housing Fund's remaining fund balances are restricted for eligible housing and community development costs as required by grantor agreements, laws and regulations.

Information regarding the fund balance reporting policy adopted by the City is described in Note 1 to the City of Montebello's Comprehensive Annual Financial Report.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Implementation of New Accounting Pronouncements

During the fiscal year ended June 30, 2016, the City adopted the following new Statements of the Governmental Accounting Standards Board (GASB):

- GASB Statement No. 72, *Fair Value Measurements and Applications*. This statement provides guidance for determining a fair value measurement for financial reporting purposes and for applying fair value to certain investments and disclosures related to all fair value measurements. The implementation of this statement did not have a significant impact on the City's financial statements for the fiscal year ended June 30, 2016.

- GASB Statement No. 76, *the Hierarchy of Generally Accepted Accounting Principles for State and Local Governments*. This statement supersedes Statement No. 55, *The Hierarchy of Generally Accepted Accounting Principles for State and Local Governments*. The requirements of this statement are effective for financial statements for periods beginning after June 15, 2015, and should be applied retroactively. The implementation of this statement did not materially impact the City's financial statements for the fiscal year ended June 30, 2016.

Refer to the City's Comprehensive Annual Financial Report for additional information.

NOTE 3 NOTES RECEIVABLE

Notes receivable represents loans made for assistance in rehabilitating property for affordable housing, and accrued interest. Because interest is payable at maturity and is not available to finance current operations, interest on notes receivable is not recognized in the Housing Successor Fund financial statements as a current period revenue.

On December 26, 2001, the Agency entered into an Owner Participation Agreement (Agreement) with the Montebello Downtown Plaza LLC (Participant) for the acquisition, development, and operation of affordable senior citizen rental units and retail commercial buildings. The Agreement, which was amended and restated on October 26, 2005, provides that the now dissolved Redevelopment Agency loan a total amount of \$6,250,000 from the Low- and Moderate-Income Housing Fund for the acquisition of property and construction of affordable senior housing units. The Participant was to provide financing for costs in excess of \$6,250,000. The loan is to be forgiven over a period of 99 years in exchange for continuing to operate and maintain the affordable housing project. The loan receivable balance is offset by a similar amount of deferred inflows of resources.

The deferred inflows of resources, amounting to \$5,905,908, pertain to unavailable revenues which represent notes receivable that are not collectable within the availability period.

NOTE 5 SUBSEQUENT EVENTS

The City of Montebello has evaluated events subsequent to June 30, 2016 to assess the need for potential recognition or disclosure in the financial statements of the Housing Successor Fund. Such events were evaluated through December 21, 2016, the date the financial statement was available to be issued. Based upon this evaluation, it was determined that no subsequent events occurred that require recognition or additional disclosure in the notes to financial statements of the Housing Successor Fund.
